

Policy Title: Tutoring	Adoption Date 8/14/90
	Policy Number 410

Policy

Teachers shall not tutor students assigned to their classes during the school year for remuneration. Any teacher tutoring for pay and using District facilities shall pay rent. Teachers wishing to be exempt from this policy must apply to the Superintendent.

Hours

No teacher will be required to tutor outside school hours. This is a decision that will be made by the individual teacher.

Arrangements

The principals of the elementary schools and the counselors at the secondary schools may have names of students who desire tutoring and/or names of persons willing to tutor. Tutoring may be arranged by contacting the principal, counselor, or teacher.
