

Policy Title: Instructional Arrangements Guest Speakers	Adoption Date 6/8/10
	Policy Number 602.11

Any teacher who wishes to invite a guest speaker to present to students attending this District must receive prior approval from the building principal.

In those instances when controversial matters may be discussed, the parents/guardians of the students will be notified and given the opportunity to have their child(ren) opt-out. In those instances, the teacher will provide those students not participating with suitable alternative instruction.
