| Policy Title: Child Nutrition Program | Revised Date 8/10/04 |
| | Policy Number 701 |

The purpose of the Child Nutrition Program is to serve nutritious, attractive meals to students and staff in a courteous and efficient manner.

The Board of Trustees entered into a written agreement with a private company in July, 2003, to provide and administrate the Child Nutrition Program in compliance with District goals, the National School Lunch Program, and the Public Health Department.
