

The Blaine County Education Foundation (BCEF) is launching the Thank A Teacher Program in conjunction with the national Thank A Teacher program in the month of May.

The quality of public education matters to everyone.

Thank a Teacher is a way for all members of our community to participate in honoring teachers and helping to improve student academic achievement.

These are some of the activities and things you can do to Thank A Teacher throughout the month of May.

- 🍎 BCEF website: www.supportbcef.org – students/parents can send an ecard to any teacher or Para-professional thanking them.
- 🍎 BCEF website: Anyone can go to the website and make a donation to the BCEF in honor of a teacher.
- 🍎 Any student can write a story about a favorite Teacher and submit it through our website, which may be published or used in our published materials
- 🍎 An information table is in the library with post cards students can fill out and drop in the designated drop box or can mail them directly to the school thanking their teacher. These will be placed in the Teacher's in box toward the end of May. The flyers have our website on them and can be taken home to parents.
- 🍎 There are posters that students can write a message on which will be or are placed on the Teacher's classroom doors.

Blaine County Education Foundation (BCEF)
Becky Benson, Interim Executive Director 578-5449

Mission: BCEF focuses community resources and raises funds for the Blaine County School District, promoting academic rigor, teacher excellence and innovation, equitable educational opportunities and a healthy and sustainable student environment.
