

Why You Should Consider EHSS

Some of the most sought after reasons why you should consider EHSS for your middle school experience:

STEAM integrated CORE class for all grades (Art in Engineering)

Small student population - ability to interact more frequently with teachers

Off campus outdoor education experiences and field trips to enhance learning

Explore what EHSS has to offer for the Middle School Experience

What We Offer

About Us

EHSS is part of the Blaine County School District, located in Ketchum. Our school is a K-8 school with a focus on STEAM education. Grades 6-8 have 55 spots per grade level, which makes our entire MS population quite small at 165 students.

Our small size is an advantage for many students. When needed, we do run a lottery system for our incoming 6th grade class. Once students have secured a spot it is there for the entire MS experience, as long as they stay enrolled. Throughout the school year we do accept students into any grade level that is not full. We will also place families on a waitlist when we are at capacity.

7 Period Day - includes an advisory class and elective

Elective at the END of the day to accommodate early release for SVSEF ski team - no missing CORE classes

Band & Orchestra Program offered after school

Eligible to play all middle school sports with Wood River MS

Outdoor Ed Experiences:
6th grade - MOSS Science Camp
7th grade - Camp Perkins
8th grade - S. Fork Payette River

Frequent Enrichment Opportunities with:
The Argyros Community Library
SVMoA
WR Museum of History & Culture

These are just a few of the ways we stand out! We believe what we do at EHSS matters!
