

# HEMINGWAY STEAM SCHOOL

## Summer Reading 2023

Each incoming student is encouraged to read at least one **new** (that you've never read) book over the summer from the list below! Be ready to discuss the author and book you choose with a group of your peers and a teacher during one of the first weeks of school. The books are available over the summer at the local public libraries, digitally on Sora (BCSD, public, or IDEA libraries), and can be purchased or ordered at Chapter One and Iconoclast Books.
