

# ELEMENTARY PBL (INTEGRATED PROJECTS) - KINDERGARTEN

## **UNIT 1:**

Discovering Change

### **CENTRAL CONCEPTS:**

Connections, Cause and Effect, Culture

### **DRIVING QUESTION:**

How do people connect to their world?

### **ENDURING UNDERSTANDING:**

People connect to their world through experiences.

### **SUMMARY/DESCRIPTION:**

Throughout this unit, we will discover what makes us unique. We will explore how culture helps shape our world. We will also be using our five senses to observe how our environment changes with the seasons and weather. We will also learn how to keep our bodies safe and healthy.

## **Unit 2:**

Exploring Change

### **CENTRAL CONCEPTS:**

Cause and Effect, Connections, Change, Sensory Awareness, Survival

### **DRIVING QUESTION:**

How do living things survive?

### **ENDURING UNDERSTANDING:**

People, plants, and animals adapt to their changing environment in order to survive.

### **SUMMARY/DESCRIPTION:**

In this unit, we will be exploring different environments, how living animals adapt and what tools they will need to survive. We will investigate how choices and habits impact people and communities.

## **Unit 3:**

Becoming a Responsible Citizen

### **CENTRAL CONCEPTS:**

Relationships, Responsibility, Citizenship, Cause and Effect, Community Roles

### **DRIVING QUESTIONS:**

How can I help my community?

How can I make the world a better place?

### **ENDURING UNDERSTANDING:**

People make choices that protect themselves and the world.

### **SUMMARY/DESCRIPTION:**

In this unit, we will learn how to be a good citizen, stay safe, and help our community. We will navigate our community using maps. We will recognize community helpers and resources that keep us safe and healthy.
