

## Greetings! Welcome to the wonderful world of distance learning!

First, let's get connected to WiFi. Select your home WiFi network and enter the password.

If you don't have WiFi, see next page for CoxFreeWiFi locations.

Next, sign in with your **school email address**. For example: [smithjoy000@bcasd61.org](mailto:smithjoy000@bcasd61.org)

Now, check your email for messages from teachers and principal.

Charge your Chromebook!

Continue to follow the Responsible Use Agreement during distance learning.

Content filtering and monitoring for inappropriate content are still in effect.

**For Help connecting to Wi-Fi, call or email the contact at your school below**

**For other help, please contact your teacher by email**
