

Silver Creek High School

Diary of the Dragons

May/June 1, 2023

Winter, as we know it, lasted forever, and now we are panicking because the end of the school year is approaching so fast. This happens every year. We are now in May, and June 8 feels like days away. Thank you all for sending your children to our school and supporting our dragons through this year.

Chris Koch, Floyd Padilla, and I visited Teton Science School in Jackson, Wyoming. We were at a professional development learning about Place-Based Education with other educators from different parts of the US and Canada. It was a three day professional development that was engaging and motivating regarding how to use this pedagogy at Silver Creek.

On May 3, the students will take a field trip to CSI in Twin Falls, Idaho. The trip aims to introduce students to the different Trade classes offered at CSI. We are hoping this opportunity will inspire some of our students to pursue a career in the trades when they leave SCHS.

The Graduation ceremony for our seniors will take place on Thursday, June 8, 2023, from 1:00 - 2:00 p.m. It will be held at the Wood River Performing Art Theater. The Graduation practice dates are mandatory. They will be held on June 6 & 7 at 1:00 p.m.

As many of you may know, Brigitte, our School Secretary, will leave our school community after this school year. She has served seventeen years at Silver Creek High School. She will be missed, but we wish her a wonderful retirement!! We know that Brigitte has many fun plans on the horizon for her and her family. Please thank Brigitte for her service here at SCHS and with BCSD. She is definitely the historian here at "The Creek!" Her replacement will be Laura Georgiades. Laura was my Administrative Assistant at Hailey Elementary School. We are very excited to have her join our community.

This will be our last newsletter until school is back in session. We wish everyone a safe and joyful Summer!

Toni,
