Diary of the Dragons

December/January 1, 2022

Ho, Ho, Ho, and here we go! It is almost unbelievable that our First Trimester has come to an end. Our exhibitions were filled with students sharing their learning and demonstrating what they have mastered over the last few years at SCHS. (Several of our seniors presented) this term. We are so proud of our Dragons!

During our first trimester, we have had great success and support with our electives. Huge gratitude to the Hunger Coalition for providing space and education about Cooking Matters. Floyd for Studio and photography, Tamela for fly fishing and tie die, Koch for Maker Space, Kelly for the Escape Room, Craig for Fitworks and Cooking Matters, and Tim for Outdoor Leadership.

Our students participated in our Halloween costume contest, and the winners were Chris Koch's class and Dr. Tim Price's Class. Chris's class dressed up as Disney princesses, and Dr. Prices' class dressed up as pirates. Both classes get to have a pizza party due to having the most participation. It was so fun to see the spirit of our students and faculty dressing up.

December brings the winter holidays and traditions. SCHS will be having our annual holiday meal with students. We have decided this year to do things a bit differently and have a potluck meal. We will have a sign-up list for students to avoid having too much of one thing. SCHS will be providing the ham and mashed potatoes with gravy. Every Student will receive a small gift from the extraordinary ladies up North.

Our Second Trimester is starting with our enrollment at 60! We have enrolled nine new students and are eager to welcome them into the Dragon family. We wish all of you a very safe and healthy winter break.
