

# IMPORTANT NOTICE TO PARENTS

Concerning

## STUDENT INJURIES

Even with the greatest precautions and the closest supervision, accidents can and do happen at school. They are a fact of life and a part of the growing-up process our children go through.

Parents need to be aware of this and be prepared for possible medical expenses that may arise should their child be injured at school.

The Blaine County School District does not provide medical insurance to automatically pay for medical expenses when students are injured at school. This is the responsibility of the parents or legal guardians. The District carries only legal liability insurance.

The District does make student medical insurance available to families for their individual purchase. Brochures outlining the coverage and premiums are included in this folder.

Verification of medical insurance is required for all students participating in the Ski Program and any other school related athletics.

Parents, please be prepared to pay for your child's possible medical expenses.

I have read and understand this notice.
