ATTENDANCE POLICY

I. General Statement

According to the Compulsory Attendance Law (I. C. 33-202), the parent or guardian of any child resident in this state shall cause the child to be instructed in subjects commonly and usually taught in the public schools in the State of Idaho until the age of sixteen.

All students are required to be in attendance at school at least ninety (90) percent of the time, meaning no more than 9 days per semester.

After an accumulation of more than nine (9) absences during a semester, the student's attendance will be reviewed and credit may be denied by administration.

A student missing ten consecutive days will be dropped from Wood River High School enrollment. (BCSD Policy 500.2)

II. Student Absences

Only parents or legal guardians may excuse a student's absence. Absences must be cleared by parent within 24 hours via phone call or email or the student must bring a parent note upon his/her return. After that time the student is considered truant. Students reaching the age of 18 may excuse their absences **with written parental consent.**

Medical and/or dental appointments, approved college visits, court-related absences and school sponsored events will not count towards the nine (9) allowed absences per semester with appropriate documentation.

Unexcused Absences:

Not having a parent excuse or documentation will be considered an unexcused absence and result in a truancy.

Administration has the final determination of whether an absence is excused or unexcused.

Excessive absences, excused or unexcused, for those under the age of sixteen may result in referral to Status Offense. Students with driving privileges will be referred to the Idaho Department Transportation for the revocation of driving permit/license (Idaho Code 49-303A).

Truancy:

Students who are absent without the knowledge and consent of parents or school will be classified as truant. This classification shall also apply to any students who leave school without checking out with the attendance secretary prior to authorization from his/her parent. The following rules apply:

1. No make-up work, assessments, or credit will be given for class periods or days classified as truant.
2. Students 16 years and under who accumulate excessive truanancies may be suspended and referred to Status Offender Services.
3. Students over the age of 16 who accumulate excessive truanancies may be suspended and be reported to the Idaho Transportation Department for loss of driver's license.

If a student misses class in order to avoid taking a test/quiz, give a presentation or hand in assigned work that is due, he/she will receive a zero (0) on the test or work.

Failure to properly checkout is considered a truancy and may not be excused by parent/guardian.

Administration of Truancy Policy:

First Truancy: A parent or guardian will be notified immediately after the first truancy and assigned in-school suspension.

Subsequent Truancy(ies): Subsequent truancies will result in the student being subject to other disciplinary actions which may include suspension, meeting with parent/ guardian, a contract and a hearing with either the Superintendent or School Board. When it is determined that a student should be expelled for violation of the truancy policy, procedures shall be followed as outlined under Section 507.9.

Loss of Credit for Excessive Absences:

Students who accumulate more than nine absences in any class may lose credit for the course in question depending on the decision of administration. The parent/guardian will be notified at day five, day seven and when they exceed the 90 % attendance limit. All documentation from doctors, etc. must be submitted before or during student's appearance with principal and/or designee.

Loss of Credit notification will be mailed. Student and parent may be required to appear before the principal and/or his designee to briefly discuss the nature of the absences. (BCSD Policy 500.7)

Tardies: A student who is not in the classroom when the tardy bell rings will be considered tardy. Tardies are a disruption to the learning process. Excessive tardies (five or more total tardies) will be assigned in-school suspension. If tardies continue, further consequences will occur.

Tardies are not excusable except in extreme weather conditions. Five or more total tardies will be assigned in-house suspension.

Out of Designated Area: Students not in designated area or leave without the express permission of their teacher/supervisor will be considered out of designated area. Referrals may result in disciplinary action.

LUNCH POLICY

The campus is open to juniors and seniors only, providing they have demonstrated good standards of attendance, behavior, and driving practices while on or off campus any time during the school day. Lunch Pass stickers will be issued to all juniors and seniors in good

standing. **These stickers must be placed on the back of the student ID card, must be carried at all times and shown at the exit doors before students are allowed to leave.** Students may have their lunch pass revoked at any time throughout the school year.

The campus is closed to all freshmen and sophomores during lunch, including the Community Campus. If a medical or dental appointment is scheduled, parents must sign student out through the attendance office.

Lunch passes may be revoked at any time throughout the school year. Students who violate this policy will be considered out of designated area (ODA) and subject to disciplinary action. (BCSD Policy 502.9)

SCHOOL SPONSORED FIELD TRIPS

A parent/guardian permission slip must be signed by the parent/guardian of each student who will be leaving school grounds on a field trip. The permission slip must be turned in prior to the field trip to the student's teacher.

Students are responsible for missed homework and classroom material. Upon returning from the field trip, students should be prepared to turn in missed work in, take tests or quizzes and take part in the daily activities of class.

If a student has excessive absences or is failing a class he/she may not be allowed to attend the field trip (co-curricular exceptions apply). School sponsored field trip absences do not count towards the nine absence totals allowed per semester.

HOMEWORK POLICY

Teachers shall provide multiple ways for students and parents to access homework assignments. For example, websites, classroom postings, weekly assignment handouts, and use of planners/calendars can all be effective ways to access homework assignments.

Daily homework shall be based upon the teacher's estimation of completion time for an average student. Total daily amounts shall

include time for long-term homework assignments. Whenever possible, teachers shall provide assignments in weekly increments to allow flexible time management opportunities to students and their families.

Homework expectations for high school courses designated as Advanced Placement (AP) or Honors shall be communicated in the school's course catalog and/or course syllabi. Homework time limits shall apply to GATE classes so as not to overburden students with excessive work.

If computer or Internet-based research is assigned with homework, then an adequate amount of time in school or access at school or in a library shall be scheduled to accommodate those students who do not have access to computers or the Internet at home.

This policy does not apply to continuation school (i.e. IDLA) and independent study programs. Homework expectations for those programs may be described in the enrollment agreement. **(BCSD Policy 501)**

Make-up Work Guidelines

No student shall lose academic credit for any excused absence when missed homework assignments are satisfactorily completed within a reasonable period of time. A reasonable period of time shall be defined as at least one school day per day of excused absence.

Upon timely request, students shall be given the opportunity to complete all homework assignments for full credit. As determined by the teacher, the homework assignments can be reasonably equivalent to, but not necessarily identical to, the homework assignments missed during the absence.

Credit for make-up work will not be given for an unexcused absence or truancy.

The classroom teacher will provide the student or the parent/guardian who requests make-up work with:

1. A list of pages covered during the absence;
2. Information about assignments or special projects;
3. A copy of all handout materials given during the absence.

The principal or classroom teacher may make exceptions to the policy in extreme cases.

STUDENT ACTIVITIES

The principal and/or Athletic/Activities Director shall be responsible for the organization of all student activities. He shall provide adequate supervision, administer student finances and approve all student activities with the assistance of delegated members of the faculty.

Elected Student Council Officials will decide how student body funds are expended with the assistance and guidance of assigned advisors and the approval of the principal. Student Council Officials also govern the creation of school-sponsored clubs and activities and monitor their status. No student activities will be held on Sunday.

ID Card: All students will receive a permanent student ID card on picture day. Students are required to have these cards with them at all times while at school or school sponsored activities. ID cards are required for all textbook checkouts, library checkouts, lunchroom charges, dance admissions and leaving campus for lunch.

Student Activity Cards entitle students to free admission to all home athletic events and music events. Activity cards do not allow free admission to District/State competitions.

To participate in any extracurricular activity governed by IHSAA, the purchase of an activity card is required. Activities include band, baseball, basketball, cheerleading, choir, cross country, speech/debate, drama, golf, football, orchestra, soccer, softball, swimming, tennis, track, and wrestling.

Students are required to have student ID cards with them at all times while at school or school sponsored activities.

Dances: Students may be required to present a current WRHS ID card. Each student may sponsor one guest per event. Any student bringing a guest must complete and turn in the WRHS guest pass to administration 48 hours prior to the event. The guest's ID must be presented at the door. A guest must be high school student through age 19 unless WRHS graduate from previous year.

EXTRACURRICULAR ACTIVITIES

For more information on WRHS activities – go to the Athletic Tab on the WRHS website or go to www.wrhwolverines.org

The purpose and objectives of Wood River High School's Athletic/Activity Department and its interscholastic athletic program are the development and maintenance of individual health and vigor, perfection of skills, enjoyment of competition, development of sportsmanship and citizenship, and contribution to school and community spirit and morale.

Participation in any extracurricular activity is a privilege, not a right. All students participating in clubs and activities are expected to set a positive example for the rest of the student body. If these students break any of the rules as stipulated in the Blaine County School District Code of Conduct whether on or off school property, and whether or not involved in a school-sponsored activity, there will be an additional penalty involved.

Idaho High School Activities Association (IHSAA) sponsored activities include band, baseball, basketball, cheerleading, choir, cross country, debate, drama, golf, football, orchestra, soccer, softball, speech, swimming, tennis, track, and wrestling.

In Season Eligibility: Students involved in IHSAA activities or athletics are subject to weekly grade checks during the activity season. Any student that has a D or F will go on Academic Probation until grades have improved to C- or better. Any student that has an F in consecutive weeks will become Academically Ineligible for competition.

This Student and Parent/Guardian Agreement and Understanding of Activity Department Rules of Training and Conduct supplements existing Blaine County School District Policies. In the event of any conflict between this Agreement and Blaine County School District Policies, the Blaine County School District Policies will prevail.

Those students who participate in the interscholastic athletic/activities program commit themselves to the following personal goals:

- a primary focus on academic development and attendance

- the presentation of a positive image through dress and grooming
- avoidance of any action which would bring embarrassment or disrepute to themselves or their team
- development of desirable personal health standards (which includes the abstinence from tobacco of any kind, alcoholic beverages, and illegal drugs and substances)
- development of skills
- growth of a competitive philosophy which includes sportsmanship and a consistent awareness of school and community pride.

Participants on each team will be governed, at the minimum, by the following Athletic/Activity Department rules. Each head coach or advisor may establish additional, individual sports rules for his/her team such as curfew on overnight stays, attendance at practice sessions, personal conduct, and personal appearance.

Conduct/behavior rules are in effect year-round, when school is in or out of session including summer, Spring Break, weekends and legal holidays.

PHYSICAL EDUCATION CREDIT

Wood River High School requires two Physical Education (PE) class credits as a graduation requirement. A student athlete may satisfy a maximum of one of the required two PE credits by participating in IHSAA sporting activities that include Cheerleading, Football, Cross Country, Soccer, Volleyball, Basketball, Wrestling, Baseball, Softball, Golf, Tennis and Track. .5 Physical Education credit will be issued after the completion of each sport season if the student meets the following *minimum* criteria:

Wood River High School requires each student athlete be covered by accident insurance. A student's signature on the athletic participation form indicates that, along with parent permission for their son or
