Earth Day Challenge Tracking Sheet

Rules of the Earth Day Challenge Week:

1: Make sure to get a **supervising adult** (parent or teacher), or approved leadership student signature, for each challenge.

2: Check each box for easier scoring and add up the total points on the back!

3: Do as many challenges as possible (you don't need to do every single one!)

4: Do challenges starting as early as Thursday, April 18th. Turn in challenge sheet to WRMS student leadership on or before **Friday, April 26th** to be eligible for prizes.

5: Be honest and have fun!

Remember: taking care of the Earth is something to do every day, not just for a week! We hope this gives you new ideas for living a more Earth-friendly life!
