## **ATHLETICS/ACTIVITIES**

### *PARTICIPATION IS A PRIVILEGE NOT A RIGHT*

The purpose and objectives of Wood River High School’s Athletic and Activity Department and its interscholastic athletic or activities program are the development and maintenance of individual health and vigor, perfection of playing skills, enjoyment of competitive

play, development of sportsmanship and citizenship, and contribution to school and community spirit and morale.

Those students who participate in the interscholastic athletic or activities program commit themselves to the following personal goals: a primary focus on academic development and attendance; avoidance of any action which would bring embarrassment or disrepute to themselves or their team; development of desirable personal health standards (which includes the abstinence from tobacco of any kind, alcoholic beverages, and illegal drugs and substances); development of skills; and the growth of a competitive philosophy which includes sportsmanship and a consistent awareness of school and community pride.

The players on each team will be governed, at the minimum, by the following Athletic and Activities Department rules. Each head coach may establish additional, individual rules for their specific activity such as curfew on overnight stays, attendance at practice sessions, personal conduct, and personal appearance.

The Student and Parent/Guardian Agreement and Understanding of Athletic and Activity Department Rules of Training and Conduct adds to and supplements existing Blaine County School District Policies. In the event of any conflict between this agreement and Blaine County School District Policies, the Blaine County School District Policies will prevail.

**Athletic and activity rules of training and conduct are in effect from the moment a student and parent/guardian sign the document through the student's graduation date from WRHS. These rules are also in effect year-round, when school is in or out of session including summer, holidays, spring breaks, weekends, and legal holidays. Students involved in athletics and/or activities and their parents/guardians will re-sign the Athletic and Activity Department Rules of Training and Conduct each school year.**

**Academic Ineligibility:** Students involved in IHSAA activities or athletics are subject to weekly grade checks during the activity season. A report will be delivered to the Varsity Head Coach of each

activity each week listing students with a D or F. Coaches will notify students with D's or F's by presenting the student with a form showing the student's name, description of the class, class period and current grade.

**Due to our transition to Grading for Learning, our eligibility process for the 2021-2022 school year is being revisited. These changes will be communicated to all coaches, students, and parents/guardians before students' first grade check. The mode of communication will be Planet HS messenger and Skyward.**

**Insurance:** Wood River High School requires each student athlete to be covered by accident insurance. The parent/guardian accepts the responsibility of maintaining an insurance program for their student athlete and will assume full responsibility for all medical expenses incurred by he/she/they in the event of injury. Independent company insurance information is available at Wood River High School. Contact the school Athletic/Activity Director for more information.

**Physical Education Credit:** Wood River High School requires two Physical Education (PE) credits as a graduation requirement. Student athletes may satisfy a maximum of one of the required two PE credits by participating in IHSAA sporting activities that include Baseball, Basketball, Cheerleading, Cross Country, Football, Golf, Softball, Soccer, Swimming, Tennis, Track, Volleyball, and Wrestling. One-half (1/2) PE credit will be issued after the completion of each sport season if the student meets both of the following *minimum* criteria:

# STUDENT CONDUCT

## ATTENDANCE

According to the Compulsory Attendance Law (I. C. 33-202), the parent or guardian of any child resident in this state shall cause the child to be instructed in subjects commonly and usually taught in the public schools in the State of Idaho until the age of sixteen.

All students are required to attend school at least ninety (90) percent of the time or missing no more than 6 days per trimester. After an accumulation of more than six absences, excused or unexcused, during a trimester, the student's attendance will be reviewed, and credit may be denied by administration.

**A student missing ten consecutive days will be dropped from WRHS enrollment (BCSD Policy 522).**

**Excessive excused/unexcused absences for those under the age of sixteen (16) may result in referral to Status Offense. Students with driving privileges may be referred to the Idaho Department Transportation for the revocation of driving permit/license (Idaho Code 49-303A).**

**Absences:** No more than six absences are allowed whether excused or unexcused. However, it is important the type of absence is accurately coded in Skyward so parents/guardians are expected to communicate reasons for absence by calling or emailing the school attendance clerk.

***Excused Absences:*** Parent/Guardian has excused the absence. If documentation is provided for medical or dental appointments, the absence will be medically excused and not count against the student attendance. Skyward code for excused absences starts with E and for medically excused absences starts with M.

***Unexcused Absences:*** Not having an approved parent or guardian excuse or documentation will be considered an unexcused absence. Skyward code for unexcused absences begins with U.

**Administration has the final determination of whether an absence is excused or unexcused.**

***School-Related Absences:*** Any school sponsored activity will not count against student attendance. Students with excessive absences/failing a class may not be allowed to attend activity. Skyward code for school related absences starts with S.

***Truancies:*** Students who are absent with the knowledge or consent of parents/guardians, leave without the express permission of their teacher/supervisor/parent/guardian, or have unresolved unexcused absences will be considered truant and subject to disciplinary action/after school detention. Skyward code for truancies is U-TR.

**Students who leave class without permission from teacher or who are absent or leave school without authorization from his/her/their parents or guardians are truant and may face disciplinary action.**

**Tardies:** Tardies are a disruption to the learning process. Therefore, a student who is not in the classroom when the tardy bell rings will be considered tardy. Students later than 20 minutes will be considered absent which will apply to the allowed six (6) absences a trimester. Excessive tardies (five or more total tardies) will result in lunch detention. Every six (6) tardies within a class will count as an absence and apply to the loss of credit count. Failure to serve lunch detention and/or the continuation of excessive tardies may result in further disciplinary action.

**Six (6) tardies in a class or being 20 minutes or more late to a class results in an absence that will count towards the total allowed absences.**

**Tardies are not excusable except in extreme weather conditions or at administration's discretion.**

**Loss of Credit for Excessive Absences:** Students who accumulate more than six (6) absences in any class may lose credit for the course in question depending on the decision of administration. The

parent/guardian will be warned at the 4<sup>th</sup> absence and notified with Loss of Credit letter when student exceeds the 90 % attendance limit at six (6) days absent.

**Loss of Credit notification will be mailed. Student and parent/guardian may be required to meet with Administration to discuss the nature of the absences. (BCSD Policy 522)**

**Responsibility of Student to Make Up Missed Work:** Students are responsible to gather and complete any work they missed during their absence.

### **CELL PHONES AND ELECTRONIC DEVICES**

Students may not use cell phones and/or electronic devices – including ear buds, headphones, Smart watches, etc. – at WRHS during classroom hours. Cell phones may be used in the building **only** before school, passing periods, during lunch, or after school.

Permission to use cell phone can be granted by an administrator, teacher or school staff member for instructional purposes. Phones or devices containing inappropriate material may be confiscated and student may be subject to disciplinary and/or legal action.

(BCSD Policy 518)

Students who violate the cell phone/electronic device policy will be subject to the following disciplinary actions:

**1<sup>st</sup> Offense:** Phone/device confiscated by staff member and returned at the end of the period.

**2<sup>nd</sup> Offense:** Phone/device confiscated by staff member and taken to the office. Student is given a warning and may pick up the phone/device after school in the front office.

**3<sup>rd</sup> Offense:** Phone/device confiscated by staff member. Phone/device must be picked up by parent/guardian no earlier than the end of the school day.

**Repeat Offenses:** Will result in the confiscation of the phone and returned only to the parent/guardian after a meeting with the parent, student, and administration. Appropriate disciplinary action will be determined.

**Cell phone use during the instructional day out of designated times without express staff permission is prohibited and disciplinary action will be taken.**

**Electronic Use Policy during Testing:** Wood River High School has adapted the following policy for all testing from the College Board's current SAT test administration **policy:**

*The use of phones or other prohibited electronic devices (including iPods, MP3's or headphones) at any time during a testing period is prohibited. If a student has a phone, handheld computer, or any other electronic device in their possession, they will need to completely power it off and put it away in backpack until they leave the classroom. If a student is using any prohibited device at any time during a testing period, his/her/their test will be invalid, and he/she/they will be subject to disciplinary action.*

### **DISTRICT COMPUTER, NETWORK, & INTERNET USE**

For a student to use a computer on school premises a valid Responsible Use Agreement (RUA) and Contract must be signed by both the student and parent/guardian and be kept on file in the front office. Failure to follow the rules on the RUA will be cause for loss of computer privileges, discipline, suspension and/or expulsion. Infractions that include unauthorized entry or altering of the District, School, or Student Database may be cause for referral to law enforcement for prosecution under the Computer Crimes Statutes of the State of Idaho and referral to the Board for Expulsion. (BCSD Policy 698)

**Digital Citizen:** As responsible digital citizens users will...

- Respects Oneself. Users will select online names that are appropriate and will consider the information and images they post online.

The school reserves the right to remove vehicles, at the student's expense, or suspend the driver's parking privilege of cars that are parked in restricted areas. Restricted areas, including visitor and handicapped parking, will be identified with appropriate markings.
