

How do I see my child's grades and set up email notifications using the Schoology app?

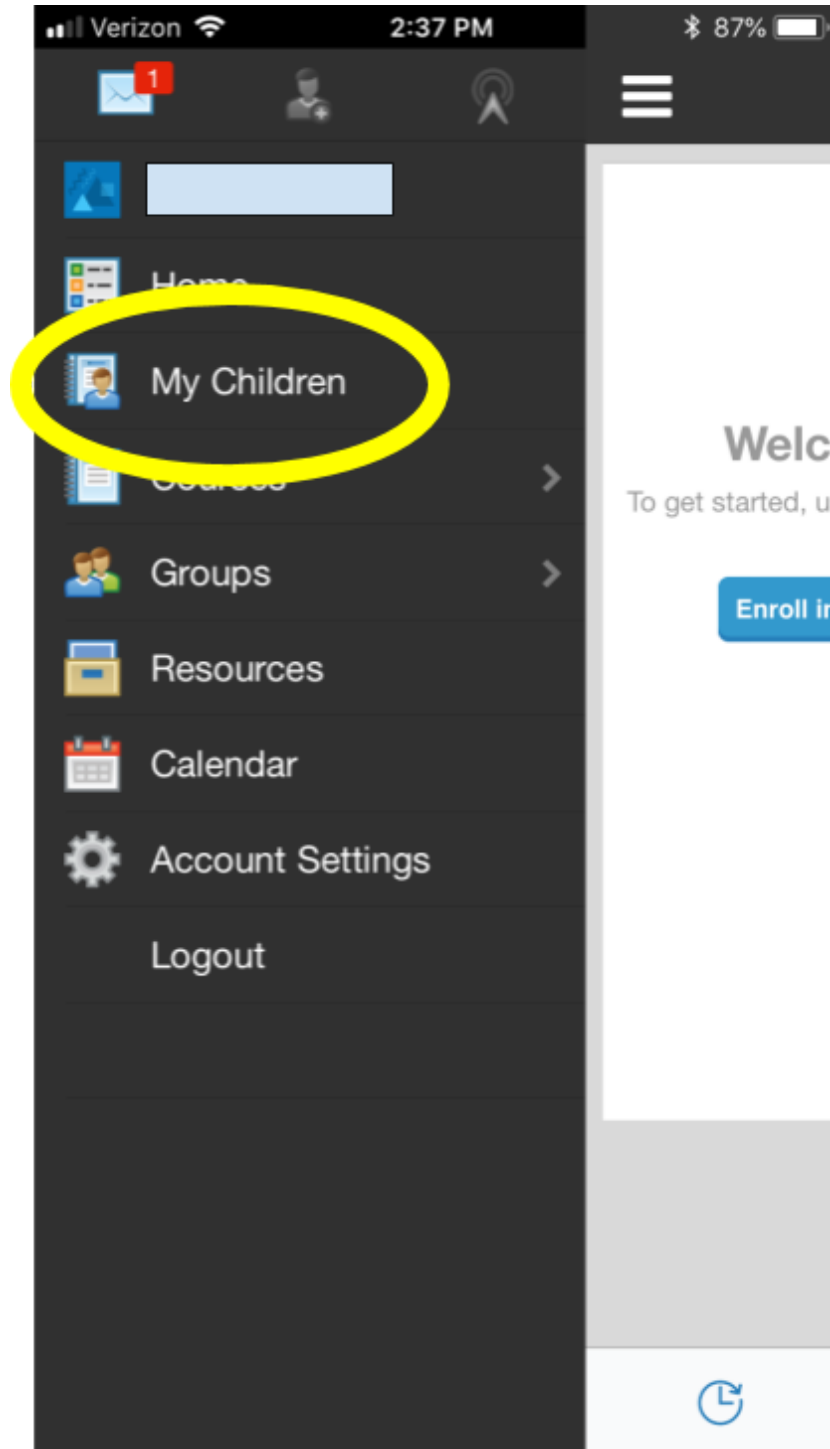

Download the Schoology app for your smartphone and click on CONTINUE. Your username is your Skyward email address, and the password is wrhs2018.

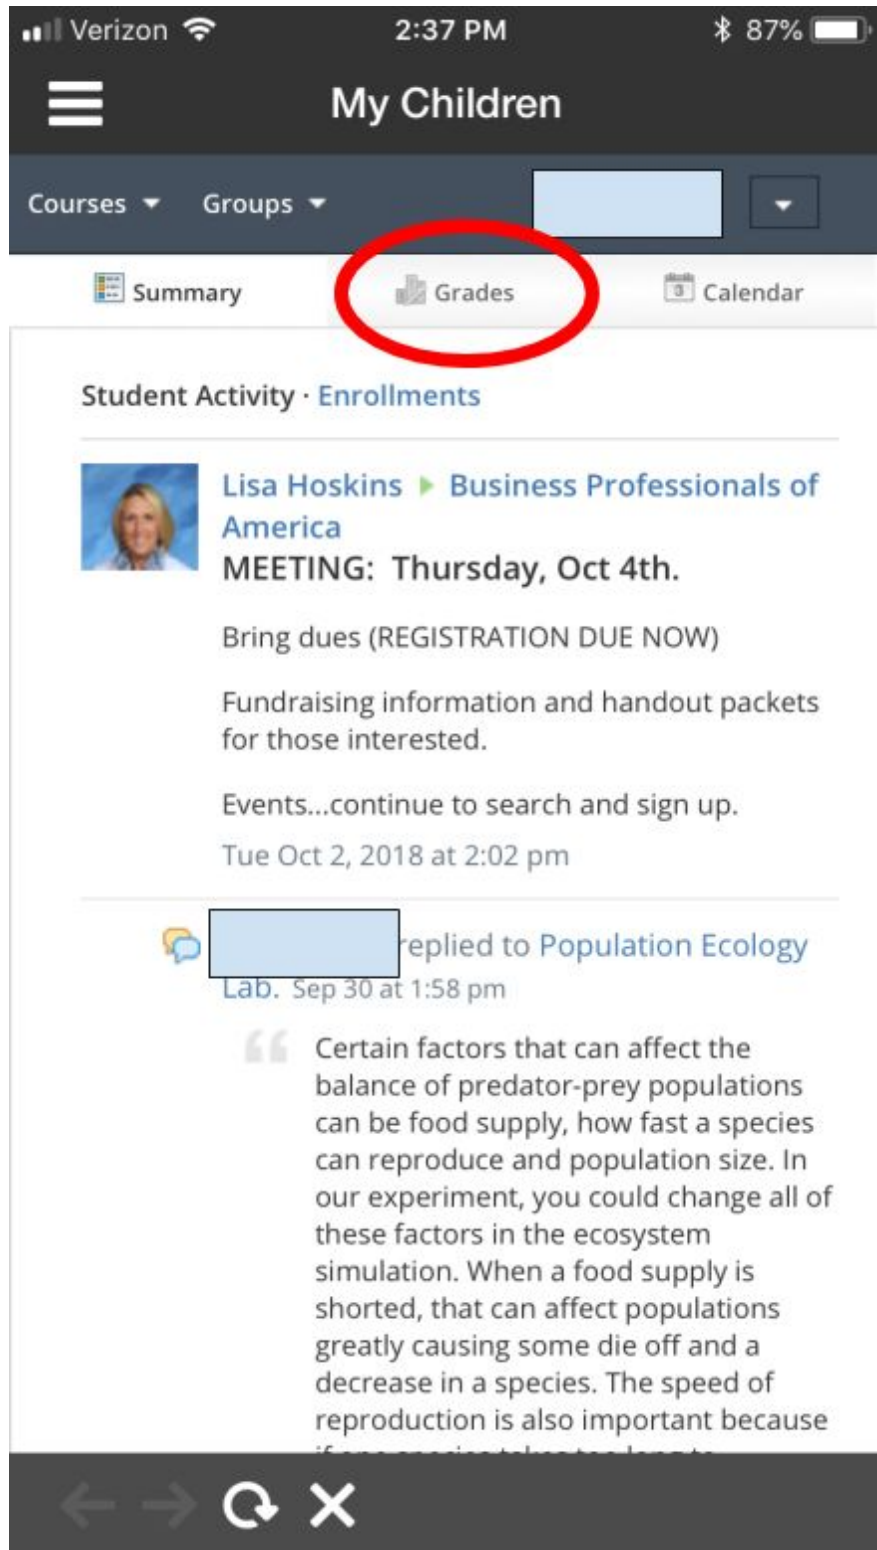

Once you're logged in, click on the THREE BARS in the upper left hand corner to access your child's information.

Click on “My Children” to select the child you would like to view.

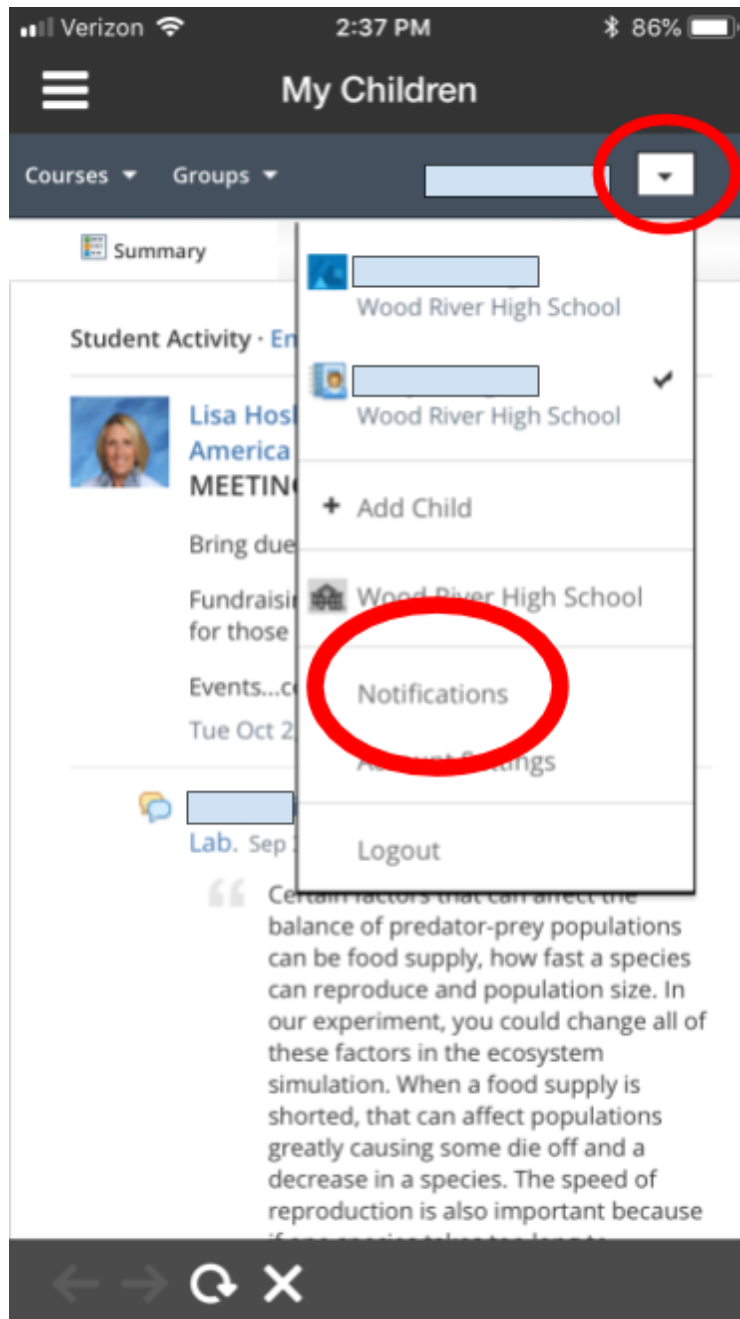

To see their grades, click on “Grades” at the top.

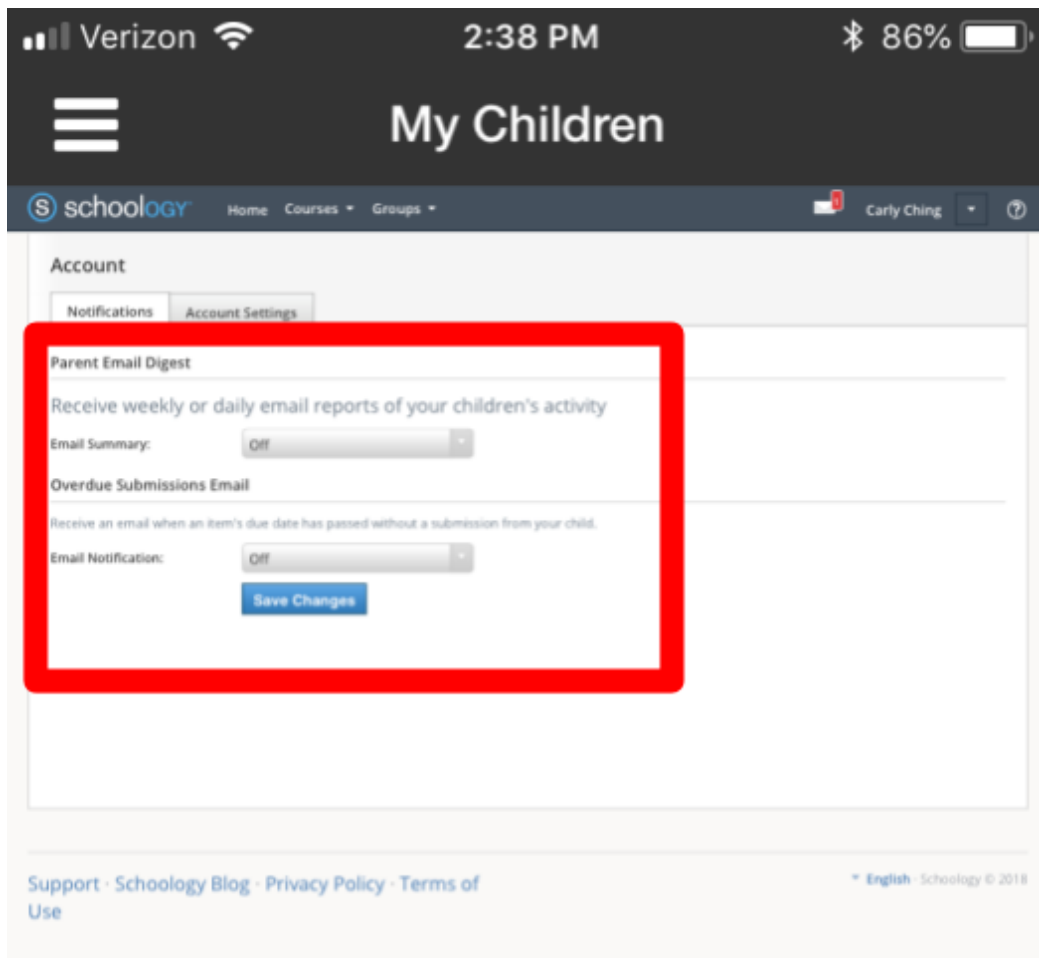

To set email notifications, select the dropdown menu in the upper right hand corner.

Then click “Notifications.”

Go to the Notifications tab and change “Email Summary” to ON. You can choose Weekly or Daily updates and select the day/time for notifications.

Thank you!
