ANNOUNCEMENTS

- Is your elementary aged child bored after school and would like to have a fun place to enjoy with friends. Then, he/she should join the YMCA Program! There are many entertaining and exciting activities to participate in each day, as well as 30 minutes of homework help provided. We have a snack and storytime, learn how to play games, draw in sketchbooks, and enjoy many STEM activities through hands-on constructing materials. It is Monday-Thursday after school until 5:30. Come join the fun! See the attached flyer for more information.
