Principal Brad's Corner Palabras del Director Brad

Wow, I can't believe it is already November. This school year is off and running, as we leave fall behind and welcome in winter. Parent/Teacher conferences were amazing, as we celebrated your children's amazing progress together. I greatly appreciate all our teachers' hard work and commitment to our families in scheduling extra conference times, on additional days, to accommodate the larger class loads, and families schedules. Because they share two classrooms, they have 2 to 3 times the conferences than other teachers in the district. It makes me smile to witness their **THEIR LOVE** for the opportunity to sit with each of you and share your child's progress and experiences.

Please remember big people, your homework is to always double check your little people's backpacks, to find the notices teachers send home with the days, weeks, and months upcoming events. Sending notices home is often the best way to inform you, but if you don't look at them, those notices just become crumpled paper in the bottom of their backpacks.

I also **AGAIN** want to remind all families to please use our school calendar to plan your vacation and holidays. The School Board has given you a calendar that provides a full week of vacation at Thanksgiving, 16 days at Christmas, and 9 more days during Spring Vacation – **PLUS** your summer break. I beg you not to use our school calendar days to pull kids from school. When attending a school based in biliteracy, it is so important for your children to be available and engaged at **EVERY** possible learning opportunity. To miss extended amounts of school, interrupts their learning, interrupts their language acquisition process, and puts them at a disadvantage to their peers. Pulling children from school, taking them away from the engaging opportunities to learn together with their peers, can have a hugely negative impact on their overall progress and education. Please consider all options, and what is truly best for their educational growth as you plan your family vacations.

It's **COLD** friends! A Sharpie can be your best friend! Make sure you put your kids' names

way to establish good habits that will carry young learners throughout their schooling and Beyond.

How can you help?

Some absences are unavoidable, but parents wanting to take the lead on creating great habits can follow a few tips & tricks to safeguard attendance:

- Encourage regular routines, especially at bedtime and in the morning
- When possible, schedule medical appointments outside of school hours
- Contact your school for advice on whether to send a sick child to school if you are unsure

Together we can all do our part to safeguard student achievement while creating a healthy life habit.

¿Sabías que faltar a clase un 10% (es decir, uno o dos días cada pocas semanas) puede tener efectos perjudiciales en el aprendizaje de los alumnos, sobre todo en los primeros cursos?

Los alumnos con absentismo crónico pueden tener más dificultades para:

- Establecer sólidas habilidades tempranas de lectura y matemáticas
- Establecer y mantener relaciones sociales
- Relacionarse con sus profesores, compañeros y entorno escolar.
- Sentirse seguros en su horario diario

Crear rutinas sólidas y una relación sana con la puntualidad y la asistencia es una forma estupenda de establecer buenos hábitos que acompañarán a los jóvenes estudiantes a lo largo de su escolarización y más allá.

¿Cómo puedes ayudar?

Algunas ausencias son inevitables, pero los padres que quieran tomar la iniciativa en la creación de buenos hábitos pueden seguir unos cuantos consejos y trucos.

pueden seguir algunos consejos y trucos para salvaguardar la asistencia:

- Fomentar rutinas regulares, especialmente a la hora de acostarse y por la mañana.
- Cuando sea posible, programe las citas médicas fuera del horario escolar
- Póngase en contacto con su centro escolar para que le aconsejen si debe enviar a un niño enfermo al colegio si no está seguro.

Juntos podemos poner de nuestra parte para salvaguardar el rendimiento de los alumnos y crear al mismo tiempo un hábito de vida saludable.

October Celebrations! Celebraciones de Octubre

Celebramos el Día de Muertos con MUCHOS proyectos de aula. También tuvimos una gran asamblea en Halloween para mostrar nuestros disfraces y celebrar a los estudiantes que recibieron Eagle Awards este mes.

We celebrated the Day of the Dead with LOTS of fun classroom projects. We also had a great assembly on Halloween to show off our costumes and celebrate students who received Eagle Awards this month.

Dress for Cold Weather!

¡Vístete para el clima frío!

Hace frío y los estudiantes quieren disfrutar su tiempo afuera. A favor de enviar su hijo(a) preparado para jugar afuera. Necesitan guantes, gorros, y chaquetas. ES MUY IMPORTANTE que escriba el nombre de su hijo(a) dentro de su ropa para que podemos identificar el dueño si la pierda. Nuestro "Perdido y Encontrado" está LLENO con ropa de invierno. A favor de visitar el pasillo y encuentra ropa perdida de su hijo(a).

It's cold outside and students want to enjoy their time outside! Please send your child prepared to be outside. They need hats, gloves, and jackets. It is VERY IMPORTANT that you write your child's name inside their clothing, so that we can identify who they belong to if they are lost. Our lost and found is FILLED with winter items already. Please visit the hallway and see if any of it belongs to your child!
