

LET'S GET CONNECTED!

Imagine Idaho Foundation is working to capture Blaine County's broadband internet service level by conducting an internet speed-testing campaign. Your participation in this important process will help bring upwards of \$1 BILLION to Idaho to improve our broadband infrastructure. With your input, Idahoans will have better access to education, medical services, and more.

HOW TO PARTICIPATE

Visit imagineidaho.org/speed-test to take a speed test today! We ask that you only complete it at home in the presence of a parent or guardian.

If you do not have home internet service, there is a field that you can complete via a mobile device to report no connectivity and the reasons why.

Let's work together to bring the students of Blaine County the internet connectivity the need!
